

Std II

Create Your Own Picture Book!

Vacations are a great time to learn something new with your grandparents!

Spend some time with your grandparents reading the newspaper every day. Look for interesting and meaningful pictures.

- Create a News album on the news that interest you
- Word book – Record the new words you come across with their meaning and usage

Let's Create the Book ✂

At the end of the day:

- Carefully cut out the selected pictures with the help of elders
- Stick them neatly on plain sheets of paper
- Below each picture, write a line about what it is.

Make Your Book 📖

- Collect all your sheets
- Arrange them neatly
- File or bind them together to create your own **Picture Book**

Make It Special ✨

- Keep your work neat and organised
- Add colours, borders, or decorations
- Try to include different types of pictures (news, nature, sports, etc.)

Submit it on the reopening day to the class teacher
